Information Technology (IT) Services and Solutions

Standard Internet

Wi-Fi for 101+ Devices or Dedicated Network, Please Contact Lindsay.wright@marriott.com

Wi-Fi (100 Devices or Less)

Tiers	Price	Description
Tier 1	\$25 / Device / Day	Up to 5 Mbps - Email and simple web surfing
Tier 2	\$40 / Device / Day	Up to 10 Mbps - Social media and/or cloud services
Tier 3	\$50 / Device / Day	Up to 20 Mbps - Streaming and large file downloads

Wired

Tiers	Price	Description
Tier 1	\$300 / Line / Day	Up to 5 Mbps - Email and simple web surfing
Tier 2	\$450 / Line / Day	Up to 10 Mbps - Social media and/or cloud services
Tier 3	\$550 / Line / Day	Up to 20 Mbps - Streaming and large file downloads

Non-dedicated hardline connections are on the Marriott Shared Conventions network and will only support one device per line. They will not support any networking equipment (i.e. they will not support the use of a switch/router to split the connection into multiple connections, printers). Our team must configure any hardline that may need more than one device
